Assignment of Insurance/Medicare Benefits

I hereby give consent for medical or surgical treatment to the physician to care for myself or I am duly authorized by the patient as his/her guarantor to give consent for such treatment. I understand that co-pays are payable **on the day service is rendered** and any coinsurance/deductibles or other outstanding balance will be billed to me. Failure to pay my co-pay at my appointment, will result in having to reschedule. I authorize Foothills Dermatology and Facial Plastic Surgery to bill my insurance company. I hereby authorize payment directly to the physician of any medical / surgical benefits payable to me under the conditions of my policy for services rendered. I hereby give consent to release to authorized persons, financial and medical information concerning care, treatment and charges as may be required to complete all claims for benefits.

Financial Policy

We are committed to providing you with the highest quality of patient care. A clear understanding of our financial policy is important to our professional relationship. Should you have any questions regarding this financial policy, please don't hesitate to ask for any clarification you may need.

- All patients must complete the Patient Information Forms prior to being seen.
- I understand that my co-pay, coinsurance and deductibles are a contract between me and my insurance company.
- Full payment of co-pays and/or cosmetic services is due at the time of service.
- Coinsurance and deductibles are billed to you and payment is expected on the first bill sent.
- We accept cash, checks and credit cards.
- Any returned check will incur a $25 fee.
- Financing is available through Care Credit. (Apply at www.carecredit.com or fill out an application in our office) Financing options may vary.
- We do have a 24 hour cancellation policy. Failure to cancel your appointment more than 24 hours prior to your appointment time will incur a $25 cancelation fee or a $25 no-show fee if you fail to show up at all.
- Your services may incur additional charges billed by outside vendors including but not limited to pathology and/or lab services or facility charges.
- I will fully discuss concerns I have regarding any procedure risks, benefits and alternative treatments with my provider. Risks may include poor cosmetic result, recurrence, bleeding, infection and numbness.

I understand that my contract is between Foothills Dermatology and Facial Plastic Surgery and myself. I agree to pay any balance within two billing cycles. In the event of default of payment, I shall be responsible for all costs of collections, including any legal fees incurred as a result of the collection action. Privacy Policy

It is the policy of Foothills Dermatology and Facial Plastic Surgery that all physicians and staff preserve the integrity and the confidentiality of protected health information (PHI) pertaining to our patients. The purpose of this policy is to ensure that our practice and its physicians and staff have the necessary medical and PHI to provide the highest quality medical care possible while protecting the confidentiality of the PHI of our patients to the highest degree possible. Patients should not be afraid to provide information to our practice and its physicians and staff for purposes of treatment, payment and healthcare operations (TPO). To that end, our practice and its physicians and staff will —

- Adhere to the standards set forth in the Notice of Privacy Practices
- Collect, use and disclose PHI only in conformance with state and federal laws and current patient covenants and/or authorizations, as appropriate. Our practice and its physicians and staff will not use or disclose PHI for any uses outside of practice's TPO, such as marketing, employment, life insurance applications, etc. without an authorization from the patient.
- Use and disclose PHI to remind patients of their appointments unless they instruct us not to.
- Recognize that PHI collected about patients must be accurate, timely, complete, and available when needed. Our practice and its physicians and staff will:
  - Implement reasonable measures to protect the integrity of all PHI maintained about patients.
- Recognize that patients have a right to privacy. Our practice and its physicians and staff respect the patients' individual dignity at all times. Our practice and its physicians and staff will respect patient's privacy to the extent consistent with providing the highest quality medical care possible and with the efficient administration of the facility.
- Act as responsible information stewards and treat all PHI as sensitive and confidential. Consequently, our practice and its physicians and staff will:
  - Treat all PHI data as confidential in accordance with professional ethics, accreditation standards, and legal requirements.
  - Not disclose PHI data unless the patient (or his or her authorized representative) has properly authorized the release or the release is otherwise authorized by law.
- Recognize that, although our practice "owns" the medical record, the patient has a right to inspect and obtain a copy of his/her PHI. In addition, patients have a right to request an amendment to his/her medical record if she/he believes his/her information is inaccurate or incomplete. Our practice and its physicians and staff will :
  - Permit patients access to their medical records when their written requests are approved by our practice. If we deny their request, then we must inform the patients that they may request a review of our denial. In such cases, we will have an onsite healthcare professional review the patients' appeals.
  - Provide patients an opportunity to request the correction of inaccurate or incomplete PHI in their medical records in accordance with the law and professional standards.
- All physicians and staff at our practice will maintain a list of certain disclosures of PHI for purposes other than TPO for each patient and those made pursuant to an authorization as required by HIPAA rules. We will provide this list to patients upon request, so long as their requests are in writing.
- All physicians and staff of our practice will adhere to any restrictions concerning the use or disclosure of PHI that patients have requested and have been approved by our practice.
- All physicians and staff of our practice must adhere to this policy. Our practice will not tolerate violations of this policy. Violation of this policy is grounds for disciplinary actions, up to and including termination of employment and criminal or professional sanctions in accordance with our practice's personal rules and regulations.
- Our practice may change this privacy policy in the future. Any changes will be effective upon the release of a revised privacy policy and will be made available to patients upon request.
